Dear Parents/Carers

Education Awards

The Warrington Guardian Education Awards took place this month and Sir Thomas Boteler Church of England High School performed exceptionally well. Ms Perkins was awarded the New Teacher of the Year; Year 8 student William Kenwright was Highly Commended in the Student of the Year category and Sir Thomas Boteler Church of England High School was also Highly Commended in the School of the Year Category. I was incredibly humbled to have been even nominated for Headteacher of the Year, but to actually win it, really was very moving for me. I really do love The Boteler Family and it is a privilege to be the Headteacher. However, none of what I do is possible unless I have the trust and support from my students, staff and families. I am eternally grateful for your support and for your subscription to our vision and values of "High Expectations, High Aspirations, High Standards – You will succeed" and "Hope, Compassion and Endurance – Through God, We Care".

Covid update

From 1 April, routine testing will no longer be expected in all education and children's social care settings. This is part of the government's plan to remove remaining restrictions on society while protecting the most vulnerable from COVID-19. If your child tests positive on a PCR test then the guidance is still to isolate at home and try to avoid contact with others for 3 days which is when they are most infectious. We will continue to ensure school is well ventilated and reinforce good hygiene practices. School will no longer be providing a space for the NHS to carry out any covid vaccinations. If your child has not been vaccinated, and you would like them to be vaccinated, you are able to book this out of school using the below link:

Please keep safe and enjoy the Easter Holiday. We look forward to seeing you all on Tuesday 19th April 2022.

With very best wishes
