Youth Event

A Youth Event at Grappenhall Community Centre has been created, designed to help get Youths off the streets and give them a safe environment to socialise in. It is a dynamic idea of a dance class in one side of the large function room and a PT session on the other alongside music and drinks and snacks available for purchase. The event is Friday 29th April. Please follow the link below for more details. The age range is 12-17 but this is more of a guideline rather than a strict age limit. It is a free, non-profit community event and the organiser is aiming to make this a regular occurrence. <https://bit.ly/37CZdll>
