Dear parent/carer

Since September, all Year 8 students have been taught in mixed ability classes. This will essentially will be the same from January but with some further refinement in response to teacher feedback. At the end of this term our subject teachers met to discuss student groupings, class dynamics, student performance in in-class assessments and more formal Working At (WA) assessments allowing an informed decision to be made around classes.

Students are allocated an English class which will be the same class for History, Geography, French/Spanish, RE and Personal Development. Students are also allocated a Maths class which will be the same for Science, Computer Science, Drama, Art and music. Design and Technology and PE set students in smaller mixed ability groups within their own subject areas.

We are writing to inform you that your child will be moving maths class as from January. This will be reflected in their new timetable which they will receive on their first day back after the new year.

If you have any queries regarding your child's set, please do not hesitate to get in touch.

Yours sincerely,

Mr Koltan
Senior Assistant Headteacher
jkoltan@boteler.org.uk

Miss Jones
Head of Maths
