Dear parent/carer

At the end of this term our subject teachers met to discuss student groupings, class dynamics, student performance in in-class assessments and more formal Working At (WA) assessments allowing an informed decision to be made around classes. As a result of this, there will be a change to some of your child's classes.

Currently, students in Year 7 and Year 8 are taught in mixed ability classes. This model will now be the same for Year 9 students in Maths and English sets H2 and H3. A movement into either of these classes does not indicate a child has moved into higher or lower set. They are mixed ability classes.

These changes will take effect from January and will be reflected in their new timetable, which they will receive on their first day back after the new year.

If you have any queries regarding your child's set, please do not hesitate to get in touch.

Yours sincerely,

Mr Koltan
