Dear Parents/Carers,

Thank you for all your support on previous strike days in ensuring that your child was able to engage with the work provided. Below you will find further information regarding work for students to complete on the fifth and sixth strike days on the 27th April and the 2nd May.

All students will complete work using the 'Oak National Academy' resources. These resources align with the areas of our different subjects and serve to reinforce and extend the learning of our students. The resources can be accessed on various devices including mobile phones and tablets. The link to access this work for Year 7, 8 and 9 is [All subjects - Key Stage 3 - Oak National Academy \(thenational.academy\)](#). For Year 10 the link is [All subjects - Key Stage 4 - Oak National Academy \(thenational.academy\)](#)

Students are to use the link above to help them follow the timetable below. Once they are on the above web page they are to select their 'subject' for each period. Once they are in the subject area they are to select the lesson identified in the timetable below.

For any students struggling to access the internet alternative work is highlighted in blue on the table below.

If you have any queries regarding the work set please do not hesitate to contact Mr. C. Kinsey, Deputy Headteacher at ckinsey@boteler.org.uk This information is also accessible on the website.

Yours faithfully

Mr. C. Kinsey
Deputy Headteacher
