25th September 2023

Dear Parents/Carers,

I hope this letter finds you and your families well. As we approach a crucial phase in your child's academic journey, we would like to extend a warm invitation to our Year 11 Academic Information Evening, which will be held in our School Hall at 18.00 on Tuesday 10th October.

This evening aims to provide you with valuable insights and knowledge regarding resources which will enable you to support your child in both their preparations for upcoming GCSE examinations and for their general well-being. This is such an important year for them and we want to do everything we can to ensure we support them holistically as well as academically. We understand that this can be a demanding time for both students and you as parents/carers, and we are dedicated to offering guidance and strategies that will enhance their preparation and alleviate any worries they or you may have.

We will cover the following topics:

- Share information on key staff, key dates and what to expect over the academic year.
- Effective study techniques: We will share proven methods for efficient information retention and time-management.
- Subject specific information: Our expert Heads of English, Maths and Science will discuss tailored approaches to revision.
- Managing anxiety: Recognising that some students may experience anxiety during this period, we will provide information and support to help them navigate and overcome any feelings of stress.
- Reinforce the importance of attendance to ensure progress and ultimately success.

It is crucial that we work together to support your child in gaining the necessary tools for success, but also to reinforce the importance of our partnership with you.

To ensure that we can accommodate all attendees, kindly RSVP by this Microsoft Forms link <https://forms.office.com/e/sR1ech8TdF> to indicate whether you plan to attend or not. Please do not worry if you suddenly decide you can attend and you have not told us, please still turn up.

Your involvement and support in your child's education is invaluable, and we look forward to welcoming you to this event. Together, we can help your child achieve their full potential and navigate this important stage in their academic journey through High Expectations, High Aspirations and High Standards.

Yours faithfully,

Mr. C. Kinsey
Deputy Headteacher
