Dear Parents and Carers,

Academy Sport+ Programme

As promised, we have secured various outreach days and workshops for our students who are on our elite sports programme. I can confirm the dates and venues below. All sessions will have a practical element and students attending will need full and correct PE kit and trainers. The Academy Sports+ top can also be worn. Students who are new to the programme will receive their top in the coming weeks.

Warrington Wolves at Padgate Campus: 09:30 am - 2pm

- 12th March 2024
- 18th June 2024

Priestley College 09:30am - 2pm

- 31st January 2024
- 30th April 2024
- 5th July 2023

The days highlighted above will be a chance for students across our Trust of schools, who also represent at an elite level, to collaborate and work together on various themes of high performing athletes. There will be sessions on the psychology of sport and winning mentality, nutrition, developing training programmes and much more. Students will work with and learn from experts in their field who currently work at professional clubs and organisations in the North West.

I will provide further details of each session nearer the time.

An exciting time ahead to support our athletes flourish in their education and within their sport or activity.

Thank you for your support.

Mr C Burbidge
Head of Physical Education
