12th January 2024

Dear Parent/Carer,

OPTIONS EVENING 2024 (YEAR 9)

You are invited to join myself, senior colleagues and Heads of Department in school on the evening of **Wednesday 24th January 2024**, as I outline the Options process for Year 9 students. This is a compulsory event as the Options process will determine what subjects your child will study at Key Stage 4 and will influence future career pathways and/or further training. Heads of Department, our careers advisory service Careers Connect and further education establishments will be available to answer any questions and offer guidance about subject choices and explain details about specific courses.

Students attending the evening need to be in full school uniform.

The evening will commence at **6:00pm** where I will deliver a presentation about the Options process in the school hall. After this there will be the opportunity to talk to our Heads of Department about their subjects in separate areas. This year subjects will be located in the library, drama studio and the canteen.

Should any parent/carers have any questions in advance, please feel free to contact me using the email details below.

Yours faithfully,

Mr J Koltan
Senior Assistant Headteacher
