Results day this year is on **Thursday 22nd August 2024** where results will be available for students to collect from the main school hall from 9:30am.

Explaining your grade

9-1 Grading System

A grade 4 is a 'standard pass' and grade 5 is a 'strong pass'. Grade 4 will remain the level that students much achieve in order not to be required to re-take English and Maths post 16. Check the requirements of your chosen college as this may vary.

U' means ungraded i.e. you did not achieve a grade. The subject will not appear on a certificate.
'X' means no result (due to absence).

Combined Science

Students studying the combined science will receive an award worth 2 GCSEs, consisting of 2 equal or adjacent grades from 9-1 (e.g. 9/9, 9/8, 8/8, 8/7, 7/7, 7/6, 6/6, 6/5, 5/5, 5/4, 4/4, 4/3.....)

If the numbers are different, the highest number will always be reported on the left.

BTEC Grades

These results include Distinction*, Distinction, Merit, Pass

Post Results Services

If you think your result/ grade is wrong or close to the next grade, please speak to the subject teacher as soon as possible. They will be able to advise you on the process for making a formal enquiry to have a review of the marking by the awarding body. This enquiry **must be done through school** and not individually. The deadline for submission of a review is **26th September 2024**.

Please note that, if after a review of the marking, your result is downgraded, then the new result will be your grade and NOT the original higher grade.

You must sign a consent form to have a review of the marking and there is a fee. If your grade is changed then you will be reimbursed the fee.

The consent forms are available on the school website, along with supporting information. Consent forms will also be available on results day from the Exams Manager.

Certificates

Certificates are expected to be available to you from **January 2025** and you will need to collect them from school.

If you have any further queries, please speak to your subject teacher or the exams manager.

Your faithfully

Mr J Koltan
