

HEAD'S HERALD

HIGH EXPECTATIONS | HIGH ASPIRATIONS | HIGH STANDARDS | YOU WILL SUCCEED

VOLUME 18 DATE 31ST JANUARY 2025

Dear Parents/Carers

I hope that you are well.

We have reached the end of another non-stop week. We started the week with a very successful Year 9 Parents' Evening. There was a very positive atmosphere in the building, following on from the success of last Thursday's Year 9 Options Evening.

To commemorate Holocaust Memorial Day on Monday, all Key Stage 3 students participated in a free session ran by the National Literacy Trust, featuring award-winning author Tom Palmer in conversation with Holocaust survivor Alfred Garwood. From the NTL: "This year marks the 80th anniversary of the liberation of Auschwitz. The live event aims to support young people's literacy skills while helping them learn about the past. We hope to inspire them to work toward a future where hatred and persecution are challenged." This was a poignant and interesting session for our staff and students. Following this session, all KS3 students will take part in creative literacy sessions during form time to spark discussion surrounding the remarkable and admirable stories of survivors of the Holocaust and during more recent genocides in Cambodia, Rwanda, Bosnia and Darfur. If students wish to explore their learning and creativity further, they are invited to participate in a creative non-fiction writing session at lunch time on 12th February in Room 23 with Miss Ward.

We have had a very successful sports week, with our Year 8/9 basketball team winning every one of their games on Tuesday, and our boys' football team achieving 3rd place in the U12s Cheshire FA Schools Indoor Cup on Wednesday. Not only this, our Year 8 Netball team took the first win in the first week of the Warrington Schools' League. Congratulations to everyone involved.

On Tuesday, we were lucky to have Dr Bike in school, giving all cyclists the option to get their bike checked and serviced free of charge. Warrington Borough Council have received funding from the Department for Transport to deliver a Dr Bike (Cycle service and safety checks) at selected schools across the borough.

Period 6 Year 11 attendance has been excellent. Staff are giving their time to run these sessions to further enable great outcomes for our Year 11 students, and we are very proud of our Year 11 student's dedication and hard work.

Many thanks for all of your support, it is very much appreciated.

Kind regards

Beverley Scott-Herron

Headteacher

QUALITY OF EDUCATION **ASSESSMENT**

Year 9 Options

I would like to thank all parents/carers who attended our Year 9 Options evening last Thursday. The atmosphere was amazing, and our Heads of Department were really impressed by the maturity and level of questions that our students were asking them. As Mr Koltan said in the presentation, the Options process is a very important one that should not be rushed, and students are really demonstrating they understand this.

Students have four weeks to consider their subject choices with the deadline for the Options form to be submitted to Form Tutors being Thursday 27th February.

The questions raised on our 'Questions or Queries' form on the evening were personal to individual students with responses being sent directly to parents.

One question that has been raised by parents/carers is in relation to French only being available to pick in Option block B. As a result, some students were not able to pick their preferred combination of subjects as French is in the same Option block as another subject that students wanted to study e.g. Computer Science/Business Enterprise. We are pleased to confirm that we have added French to Option block C to support students in accessing their required combination of subjects. The Options form that students will be given in registration will reflect this change. Mr Koltan will explain this to Year 9 in assembly on Wednesday 5th February.

The link to the dedicated Options section of the school website including presentation video, Options booklet and subject posters is here: <https://www.boteler.org.uk/options/>

Should any parent/carer have any further questions about Options, please feel free to contact Mr Koltan on email jkoltan@boteler.org.uk

COLLECTIVE WORSHIP

This week as part of Collective Worship, students are remembering the atrocities of the Holocaust. Alongside a lesson from the literacy society and an inspiring talk organised by the History department, collective worship has remembered the lives lost by those in genocides across the world both past and present. This year marks an important anniversary in remembrance as we commemorate 80 years since the liberation of the death camp Auschwitz-Birkenau and thirty years since the genocide in Bosnia. The theme for Holocaust Memorial Day is 'For a better future' so we have focused our thoughts and prayers into thinking about the actions we see today which will shape our world in the future. Our scripture for this week is from Isaiah 41:10 and it reminds us that God will support us:

"So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand."

Spiritual Pause: Think about what you can do 'for a better future'. How do our actions and thoughts today, shape our lives tomorrow? Reflect this week on what we can do to make the future one of hope.

Baptism and Confirmation: We have the opportunity to partake in these special events if you haven't already done so. Students who may have missed their confirmation or wish to be baptised are invited to see Mrs Hoey in school as soon as possible to register their interest, with parental consent. If you have any questions please contact Mrs Hoey (ehoey@boteler.org.uk).

Poland trip: The RE department are organising a trip to Krakow 17-20 July 2025. Available for current Year 9 and 10 students. If you would like more information, please contact Mrs Hoey (ehoey@boteler.org.uk).

Please keep up to date with our weekly prayer and scripture via social media.

Food Teachers Centre (FTC) is a UK based group for secondary teachers. There are approx. 10,000 active members. It is a place of creativity, innovation, action, ideas, practical solutions, learning and sharing.

Just before Christmas we held our Community Christmas Party in which approximately 100 residents of local care homes attended. Our talented Year 10 Hospitality & Catering students cooked and served at this important event. FTC recognised our commitment to promoting the teaching of Hospitality & Catering, along with reaching the local community.

They said 'We have huge respect for this amazing programme!' As a thank you and well done, they sent Mrs Callaway a little gift. She will use this to plan more special events and visits!

Drama Department

We are delighted to be able to bring the Theatre to School on Friday 7th February. The latest staging of William Shakespeare's 'A Midsummer Night's Dream' is being streamed by The Royal Shakespeare Company and we will be sharing with Year 7.

With Mathew Baynton (Ghosts, Horrible Histories) as Bottom, this hilarious production of Shakespeare's captivating comedy will transport you from deepest midwinter to the most magical of midsummer nights. As four young lovers are faced with the prospect of unhappy marriage or worse, they flee the court of Athens and stumble into an enchanted forest, where the real and fairy worlds collide.

SYNOPSIS

A story of order and disorder, reality and appearance and love and marriage. Theseus, Duke of Athens, and Hippolyta, Queen of the Amazons are to be married and great celebrations are planned.

INTO THE FOREST

Egeus brings his rebellious daughter Hermia in front of the Duke. Egeus wants her to marry Demetrius but Hermia refuses, because she's in love with Lysander. The Duke orders Hermia to obey her father or, according to Athenian law, she must face a death penalty or enter a convent.

Hermia and Lysander decide to elope that night. They confide in their friend Helena. However, she's secretly in love with Demetrius so, hoping to win his affection, she tells him of Hermia's plan. That night, all four lovers set out into the forest.

Meanwhile, a group of Athenian tradesmen (known as the Mechanicals), led by Peter Quince, are planning to perform a play in celebration of the Duke's wedding. They rehearse *The Tragedy of Pyramus and Thisbe* in the same forest.

LOVE AT FIRST SIGHT

Elsewhere in the forest, the fairy king and queen, Oberon and Titania, argue over Titania's refusal to give up her page-boy to Oberon. He sends his servant Puck to find a magic plant to cast a spell on Titania.

The juice of the plant, when squeezed onto the eyes of someone asleep, causes them to fall in love with the first creature they see when they wake up. Oberon uses the juice on Titania as she sleeps in her bower.

Puck overhears the tradesmen rehearsing and magically transforms Bottom's head into that of an ass. The other men are terrified and flee the forest. When Titania wakes, the first creature she sees is Bottom and she falls rapturously in love with him.

Helena chases Demetrius in the forest and their fighting disturbs Oberon. He tells Puck to use the magic plant on Demetrius too, so that he will fall in love with Helena. However, Puck muddles up the two Athenian men and uses it on Lysander instead, who promptly falls in love with Helena. Both women are confused and Hermia furiously attacks her friend.

Year 7 will witness the conclusion of the story during the broadcast of the production. *A Midsummer Night's Dream* is the first scripted work that Year 7 embark on, after the February half term. Judging by the amazing production pictures this will be a great introduction to the characters, plot of one of Shakespeare's most famous comedies. Here is a link to the trailer if you wish to see more.
